We won't give any signs  
with our little fingers!

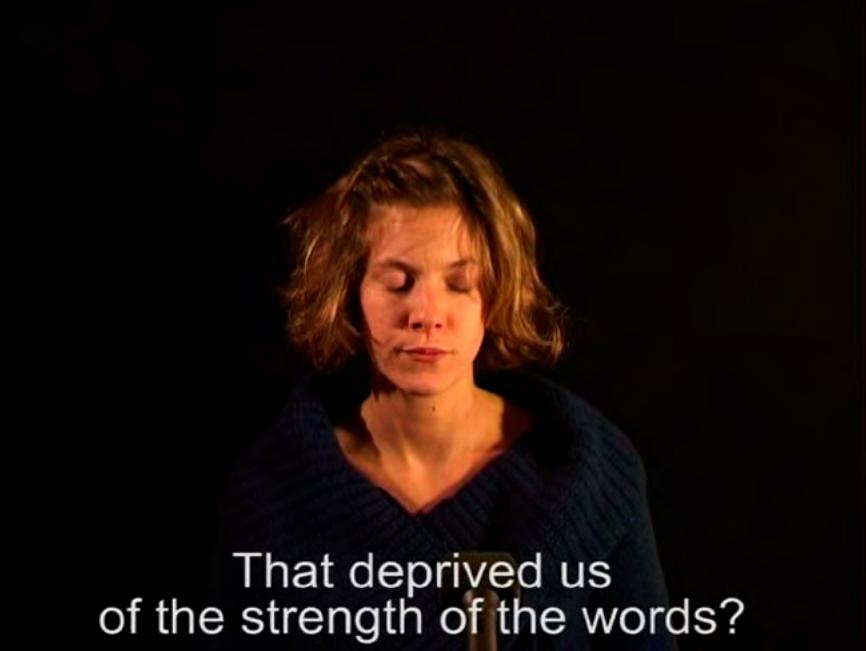

Look at me when I'm talking to you!

That deprived us  
of the strength of the words?

Yes.

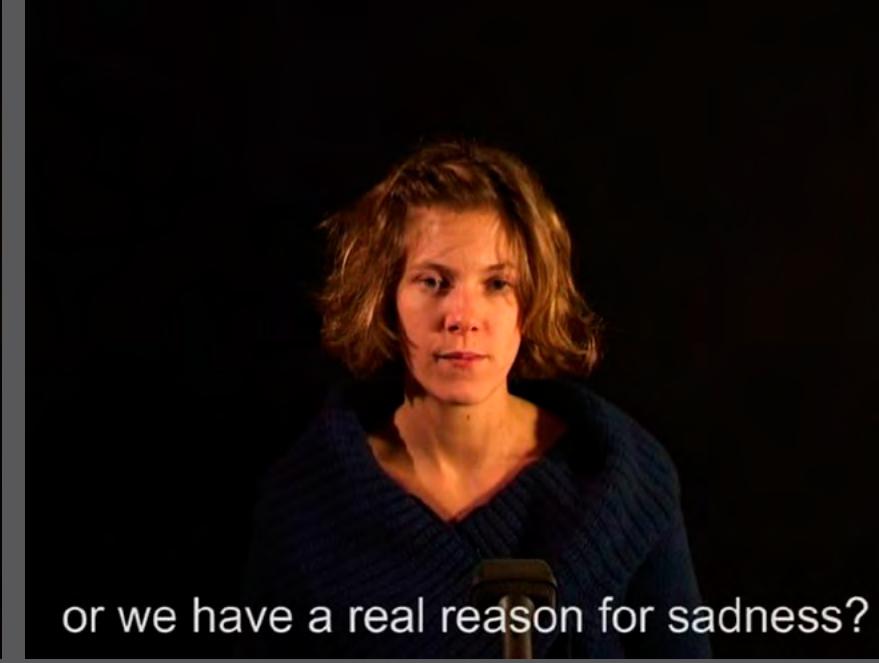

Do we have any reason for grief at all ?

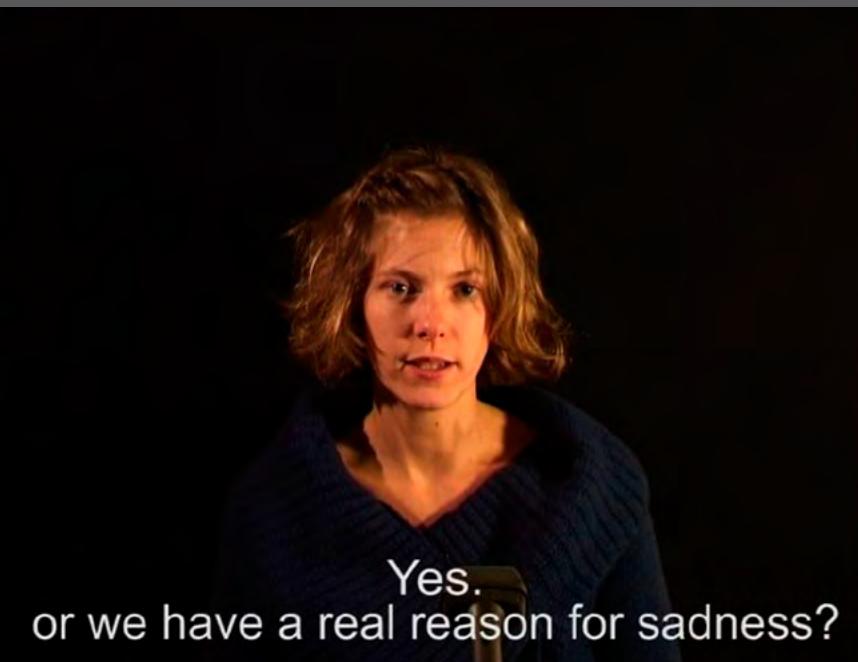

Yes.

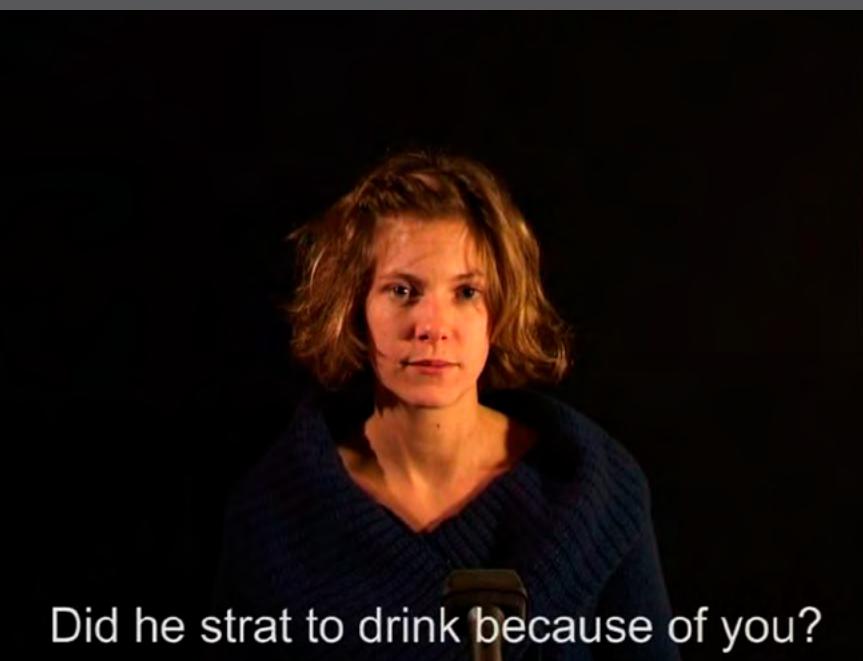

Are we only sad from fashion,

or we have a real reason for sadness?

Yes.  
or we have a real reason for sadness?

Did we fight too?

Yes.

It's good to punch someone, isn't it?

Yes.

We hacked ourselves, right?

Yes.

With razor, knife, sharpened nails, right?

Yes.

He smashed you up to the windscreen,

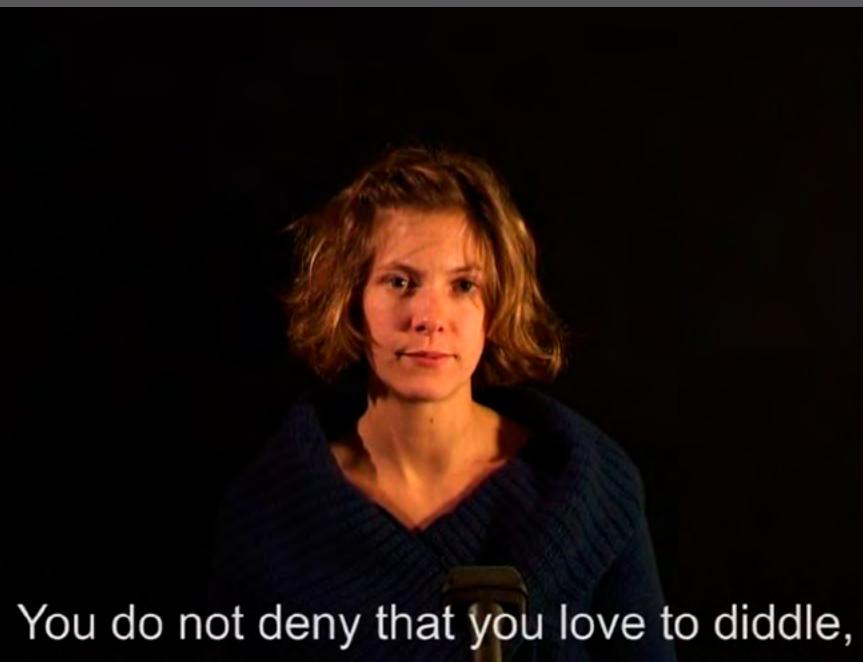

and he asked what you were smiling at?

Yes.  
and he asked what you were smiling at?

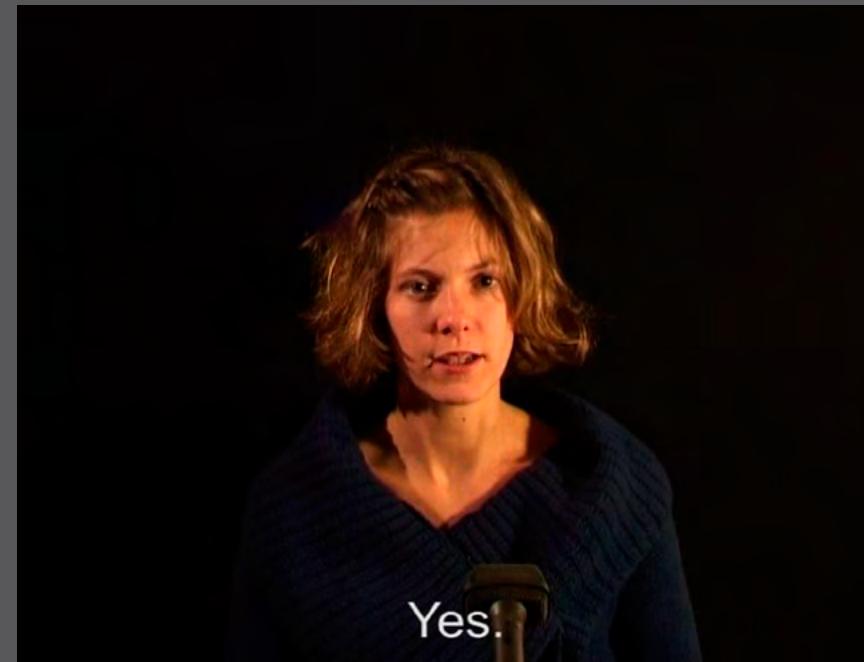

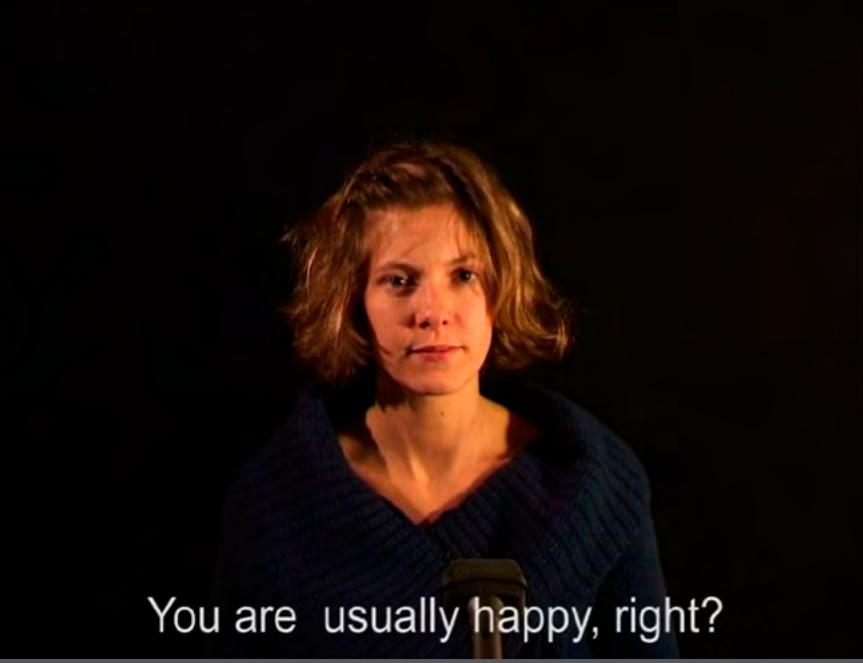

You always smile but not now, don't you?

Yes.

You seduce men with your smile

and you leave them?

Yes.  
and you leave them?

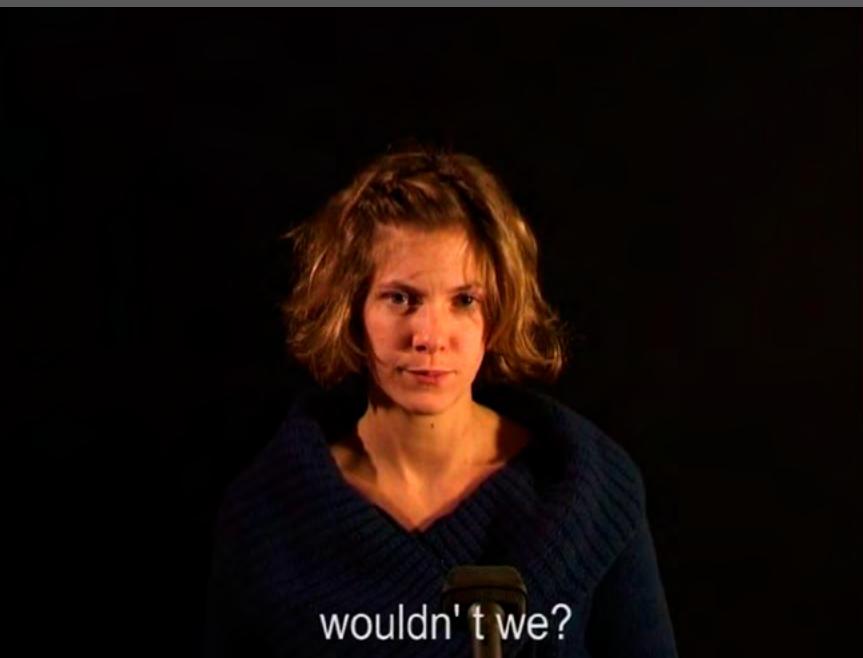

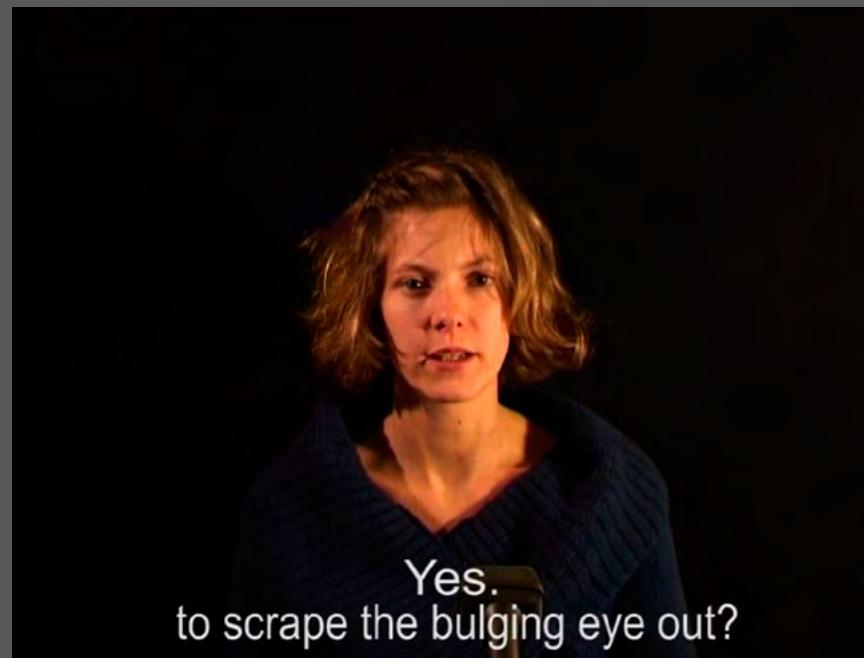

We would have liked to rearrange her face a bit,

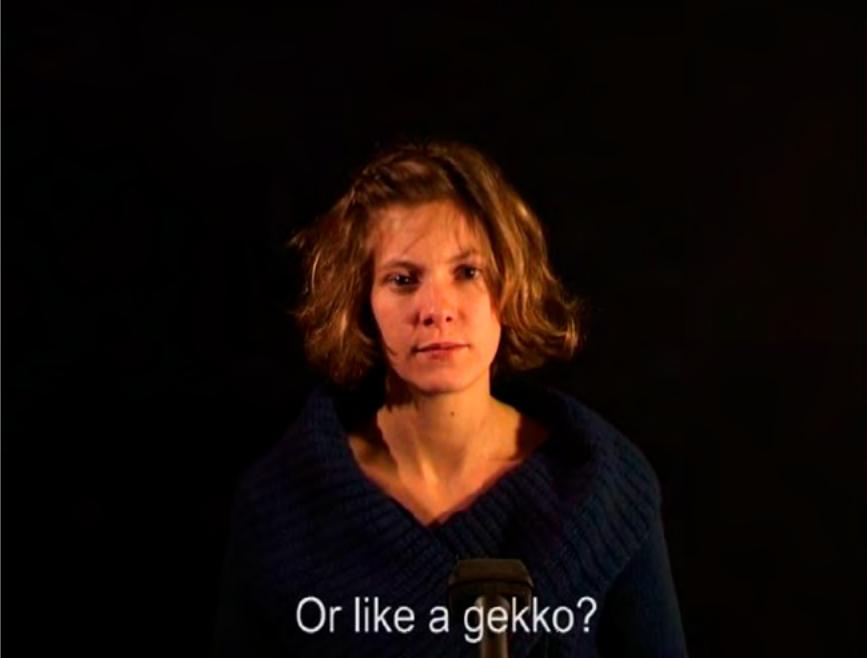

wouldn't we?

Yes.

The dinero, bucks, dosh.

Yes.  
The dinero, bucks, dosh.

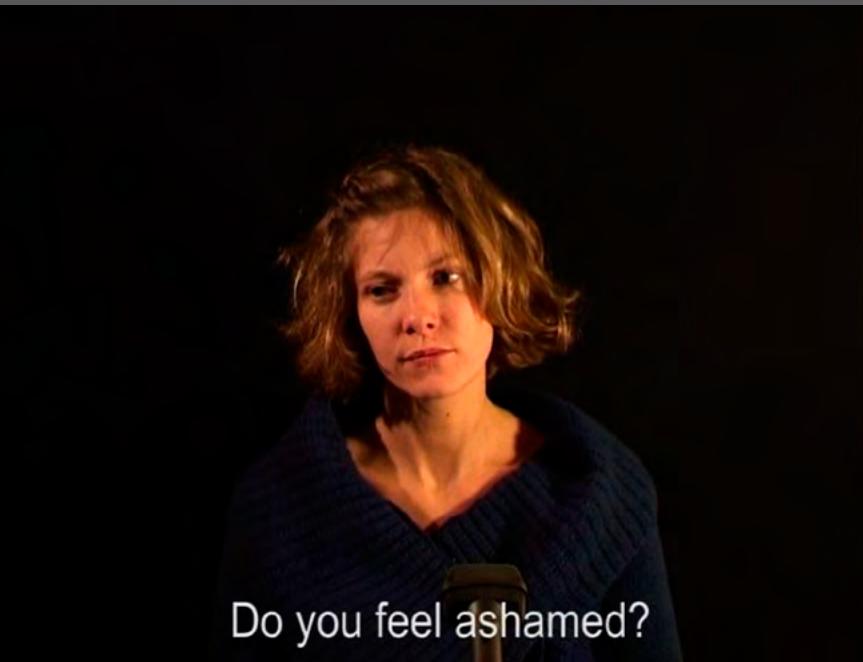

We have done everything for the money, right?

Yes.  
We have done everything for the money, right?

Then comes a period

we don't really like to talk about.

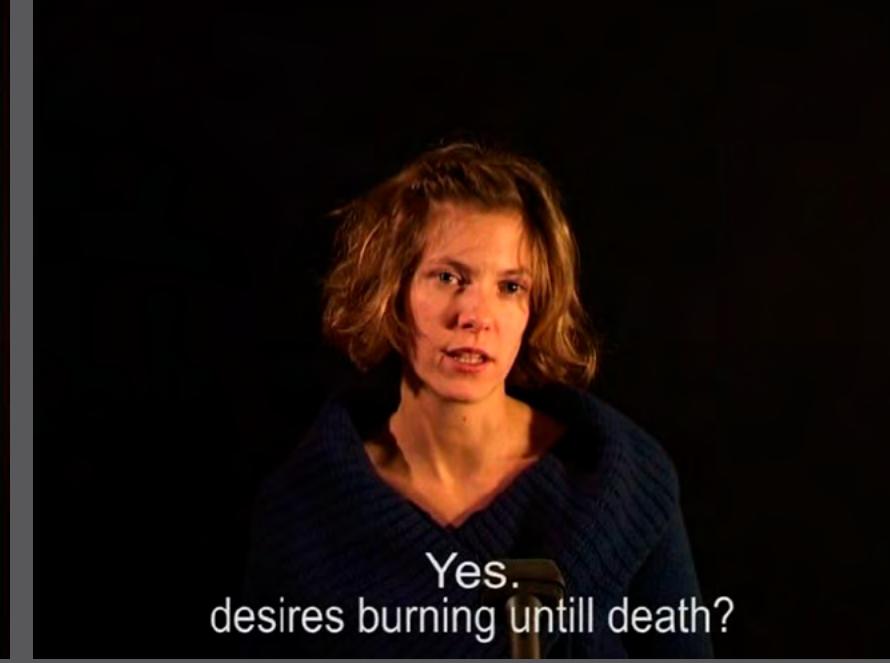

Yes.  
we don't really like to talk about.

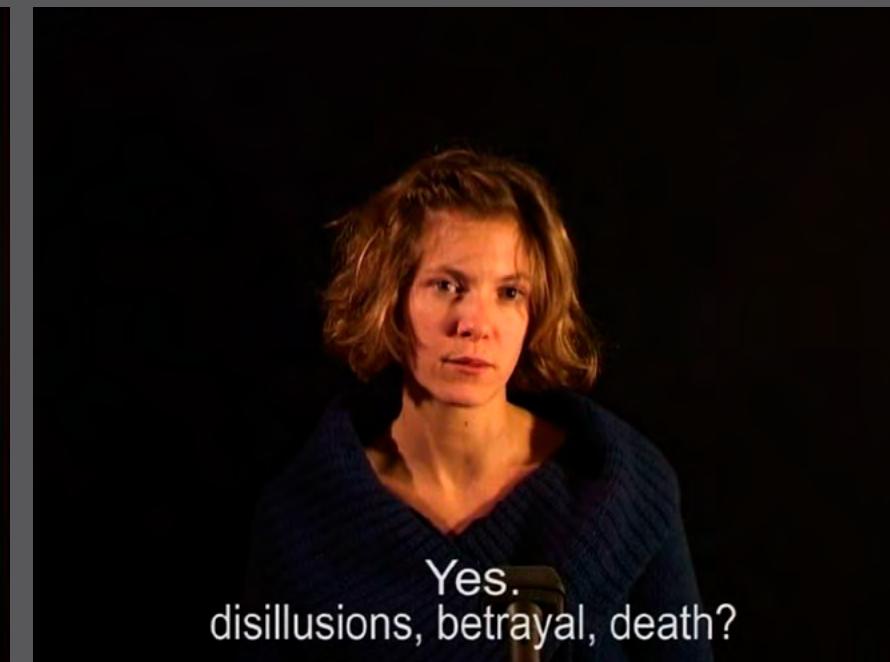

Bittersweet memories,

Yes.  
desires burning until death?

Repression, compromises,

Yes.  
disillusions, betrayal, death?

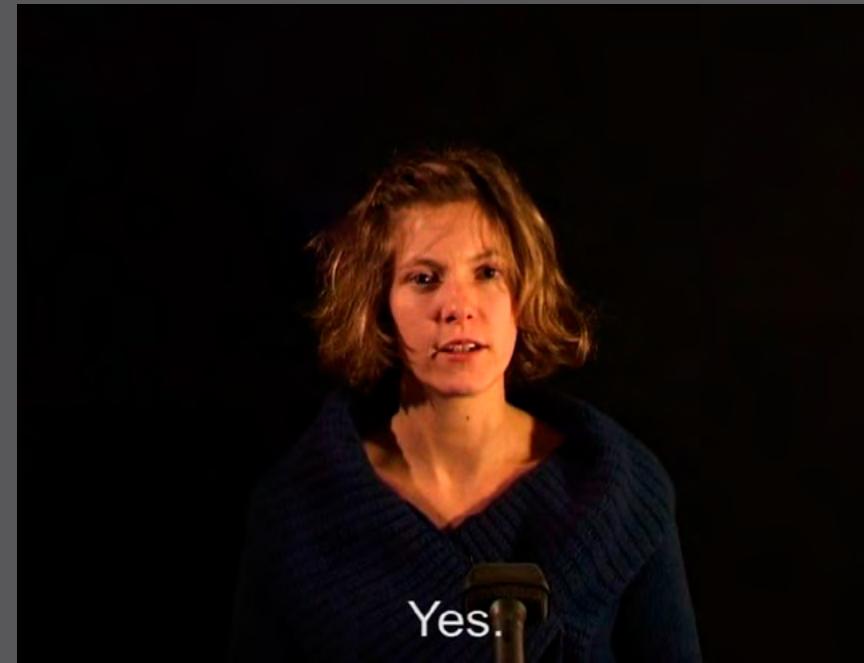

By how he cleaned his teeth?

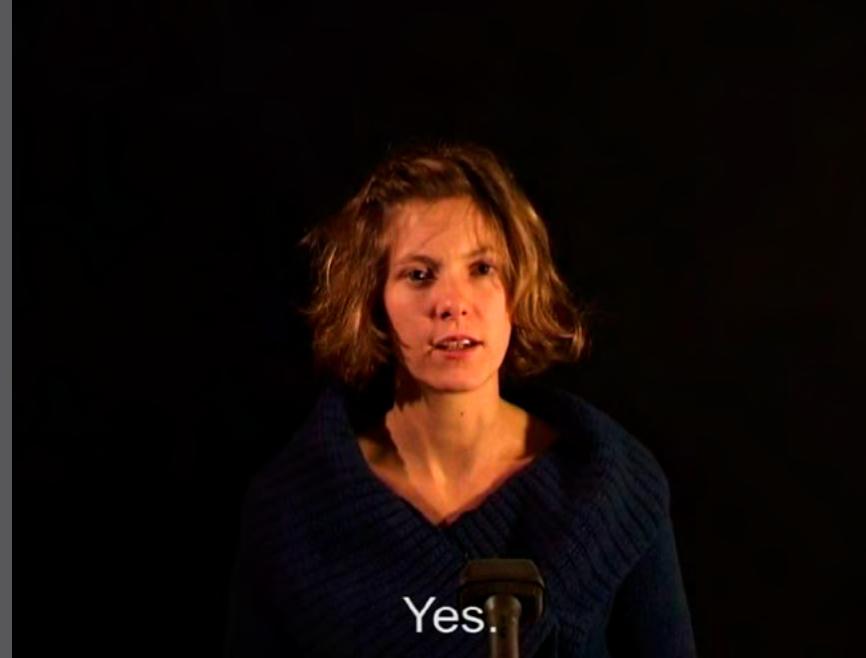

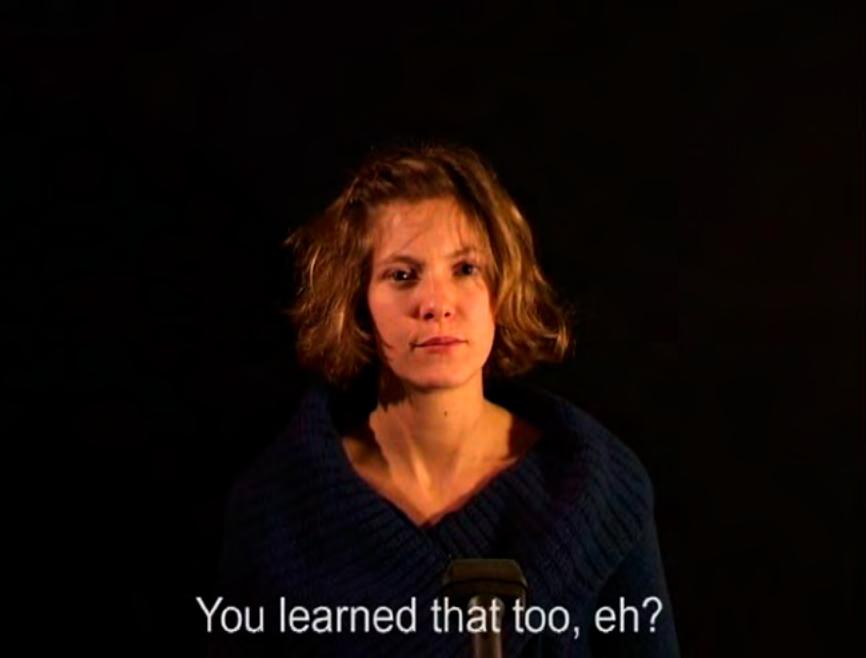

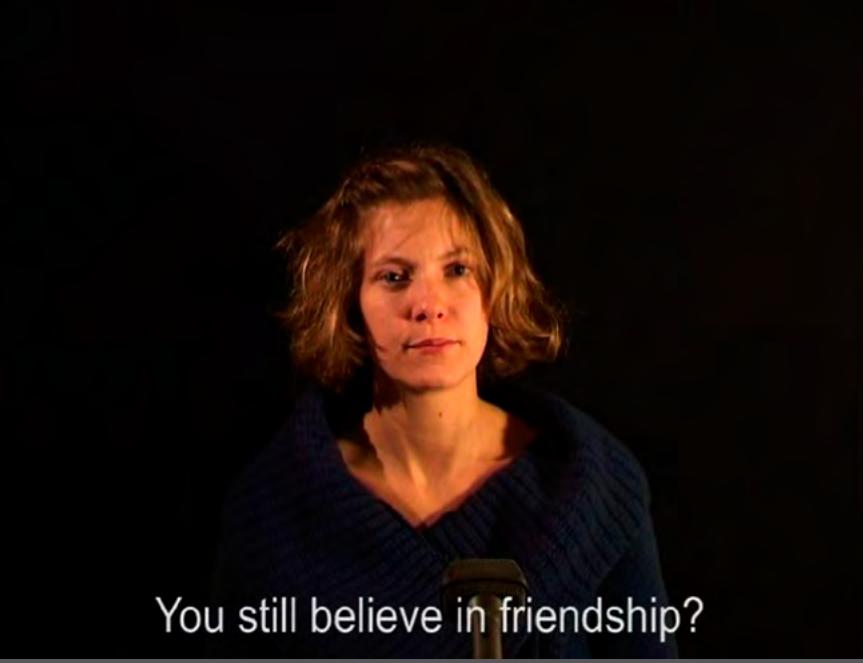

Yes.

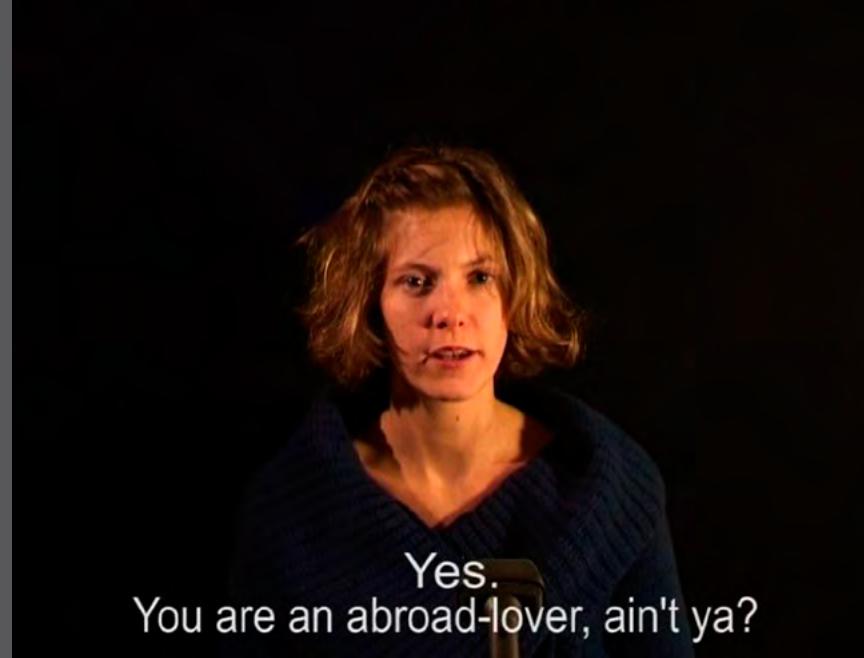

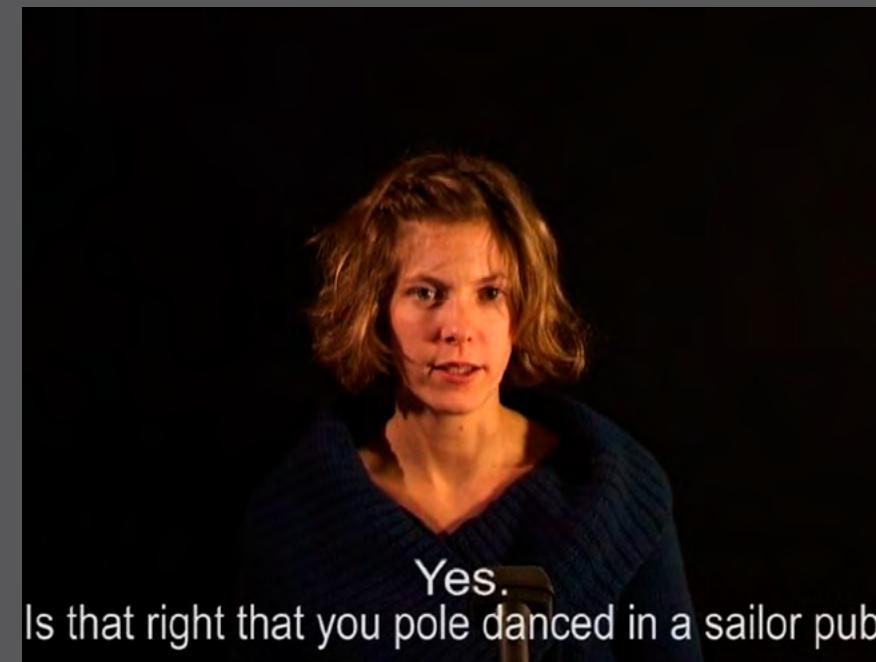

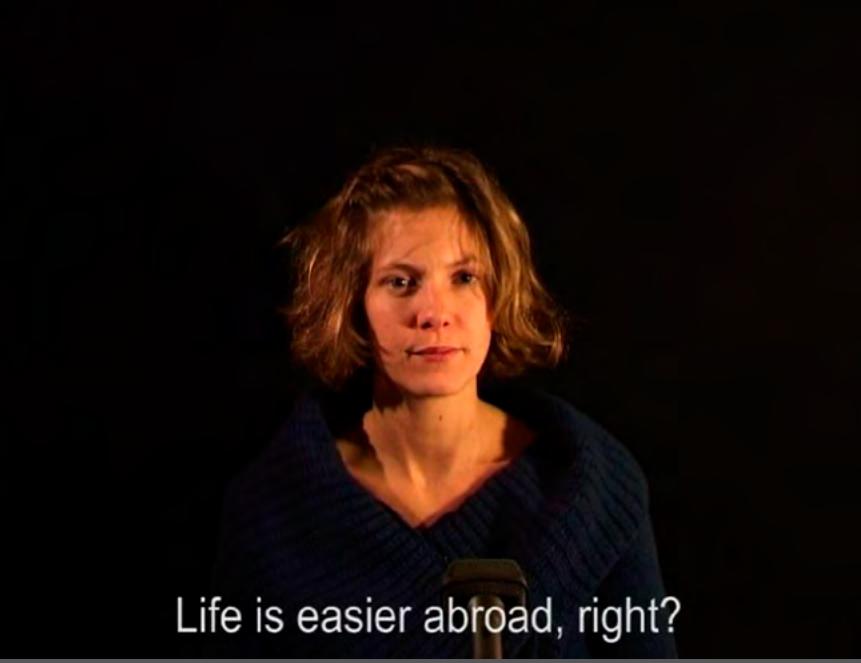

Right that you are saving up for a pole stick

that you can go on a country tour with  
as well as a multimedia artist synthetizer?

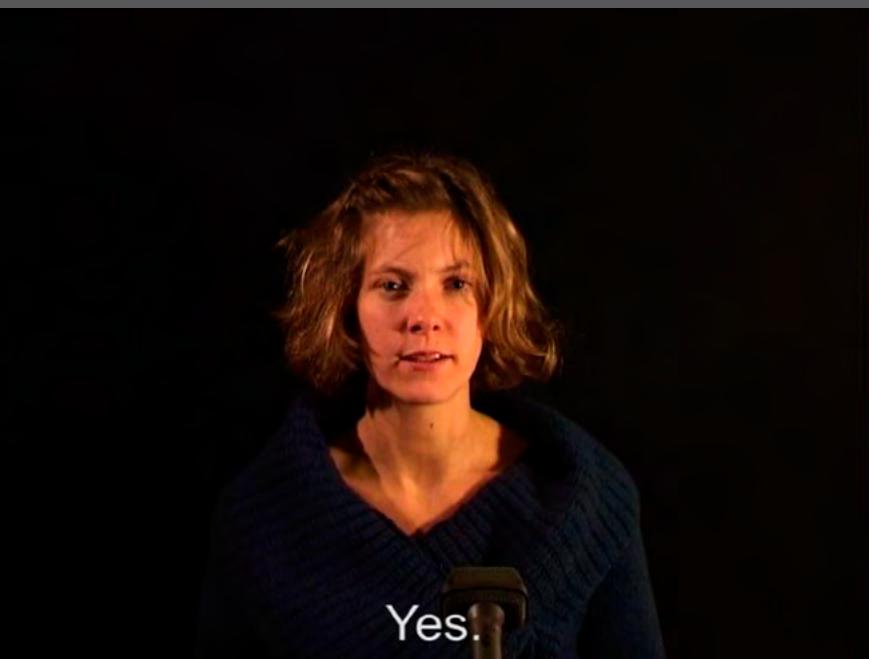

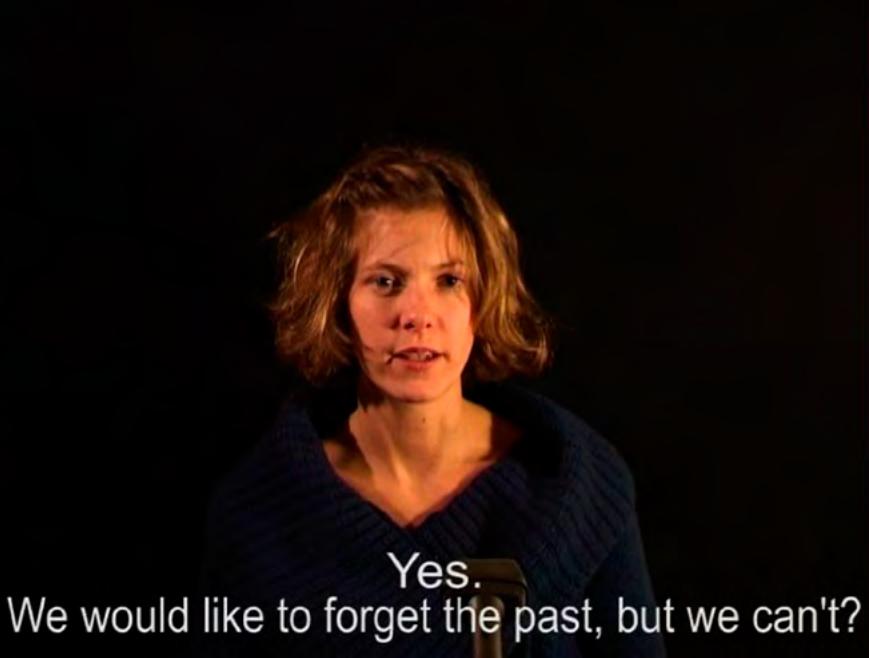

Poor devil, he also got hooked by your smile!

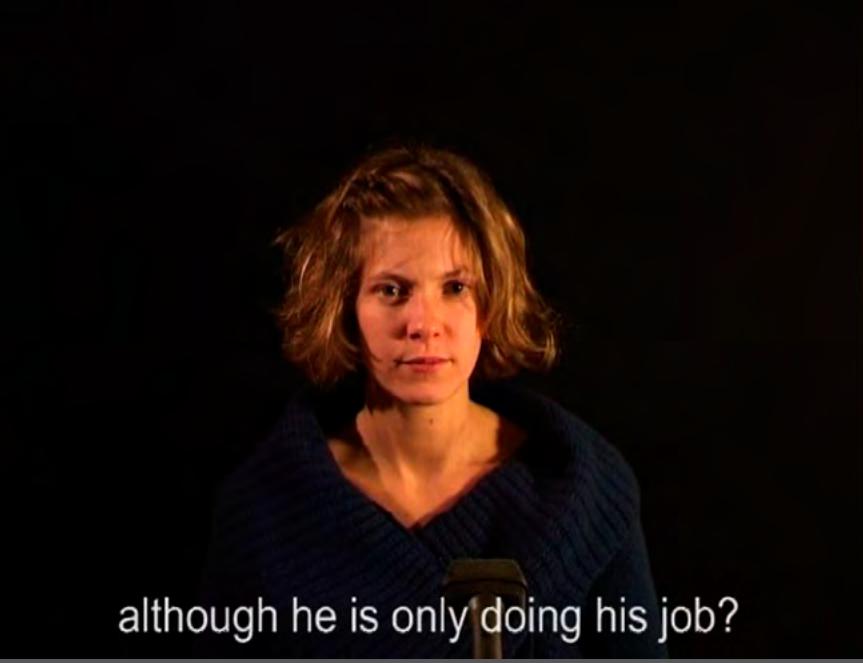

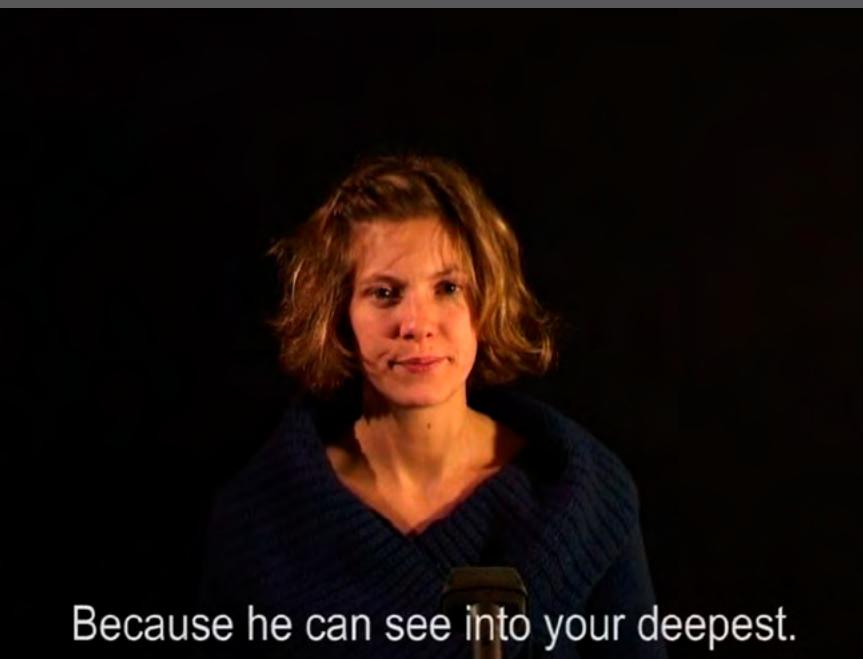

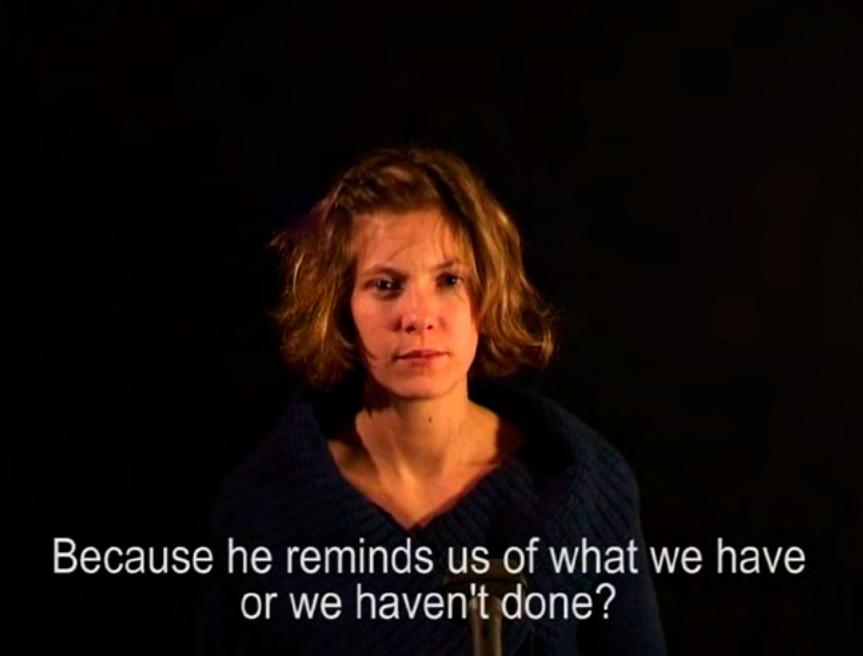

Poor little thing.

Our air-castles have collapsed, haven't they?

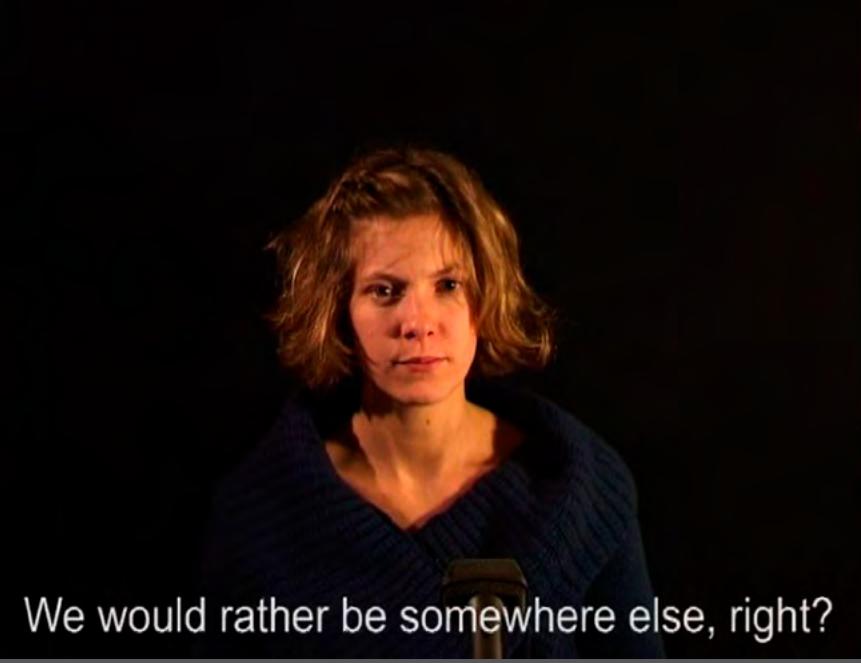

Yes.

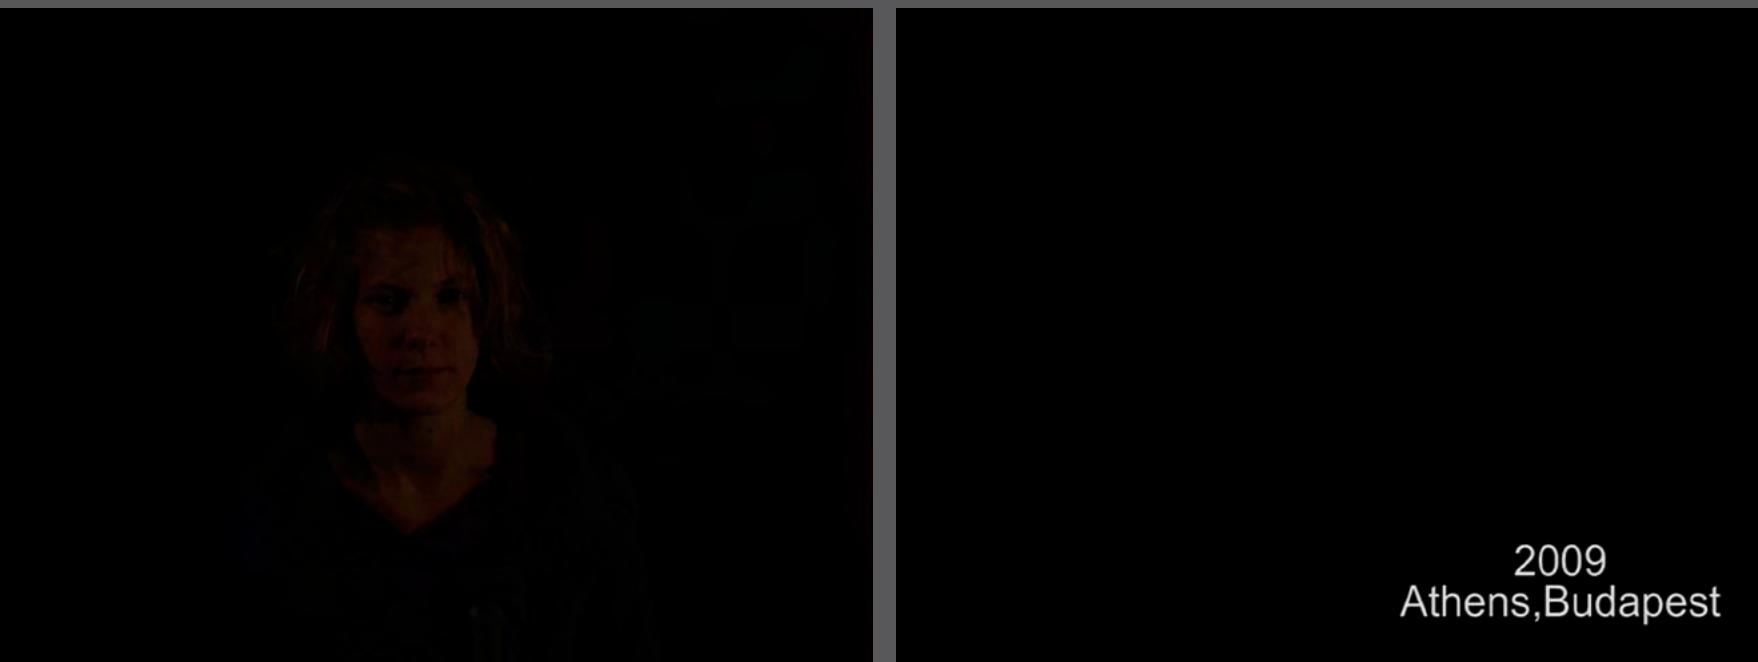

That's why we are here, right?

Yes.  
That's why we are here, right?
